

# ON-BOARD LUG TERMINAL

## Kitagawa series: OG-R and OG-RM

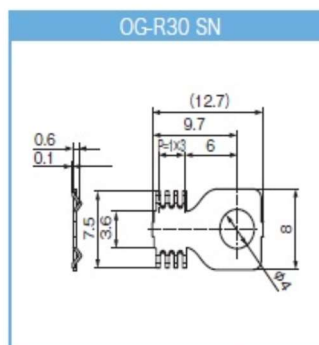

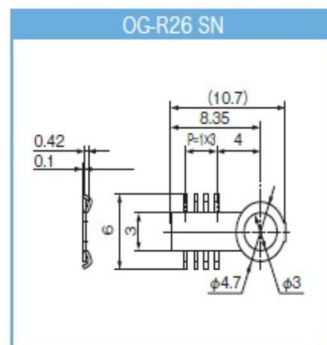

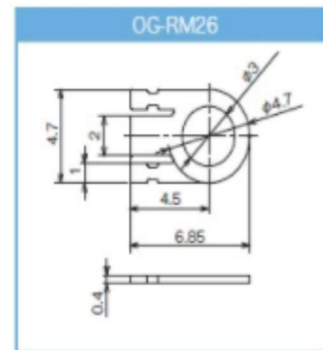

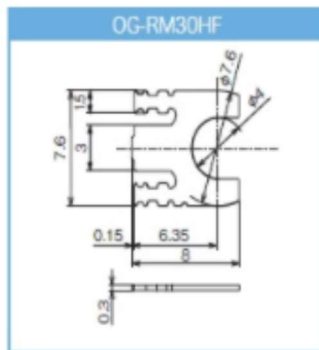

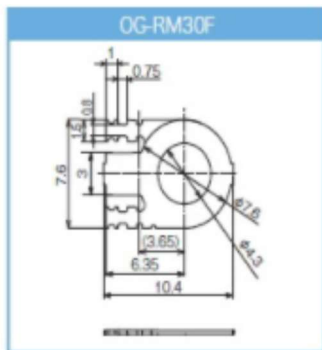

- Fibreglass reinforcement strengthens contact and enhances performance.
- Prevents screw loosening due to vibration.
- OG-RM is flat space saving profile.
- OG-RM30HF offers even more significant space saving.

### MATERIAL

Part Number	Material
OG-RM30F	Tough pitch copper (Sn plating)
OG-RM30HF	Tough pitch copper (Sn plating)
OG-RM326	Brass
OG-R26 SN	Tough pitch copper (Sn plating)
OG-R30 SN	Tough pitch copper (Sn plating)

### DIMENSIONS (mm)

Unit : mm
