

SMD GROUNDING CLAMP

Kitagawa series: OGC

- Designed to support micro cables on PCBs.
- Can be used for automated mounting on PCBs.
- For EMC grounding a metal ferrule can be used in conjunction with the OGC clamp.
- Available in side or top insertion.
- Temperature Range: -40 to +85°C.

MATERIAL

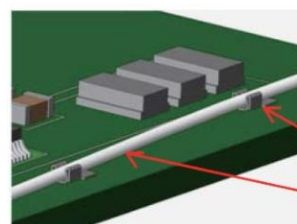

Part Number	Applicable harness diameter
OGC-331610	Ø0.8
OGC-311510U	Ø0.8
OGC-224018U	Ø1.3 ~ 1.4
OGC-331612	Ø0.86

DIMENSIONS (mm)

Unit:mm
