

FAN DUST FILTER

Series: GSF

- Material: Coarse dust filter FL100.
- Filter class: G2 DIN EN 779.
- Material thickness: approx. 5mm.
- Flammability Rating: DIN 53438 F1
- ROHS and REACH SVHC compliant.

Dimensions in mm

Dimensional Key

- Size A: Maximum outer diameter.
- Size B: Distance between plug in pegs/nibbles
- Size C: Radius of drilled hole
- Size D: Thickness of material
